Dear Mr. Barron and Ms. Jenkins,

We have not heard back from anyone about the problems reported this morning. Election Protection has also received numerous calls from voters regarding machine failures, long lines, and delays at Park Tavern in midtown.

In addition to those issues, attached please find an excel spreadsheet with details about significant problems for voters at many other polling locations.

Please let us know by 4:00 pm today whether polling hours will be extended for the affected locations (and any others) and if so, for how long.

Thank you

Thicket Elementary (11C) has extremely long lines and is reportedly not open either.

ELECTION PROTECTION

Good Morning Ms. Jenkins,

On behalf of non-partisan Georgia Election Protection, I am writing to advise you that we've received numerous reports from both voters and volunteers reporting that Bear Creek, Lindsey Street, Putnam, and Pitman Park Rec Center locations are not open and that there are no machines and voters are not being given paper ballots at Bunch Middle and Sandtown locations. We have also left a message with this information with Rick Barron. Please advise immediately.

Thank you.

Harold Franklin
